Kind of like a fun little simpler version of chess, nicely animated.. Nice strategic game! Thumbs up!. Good game, but servers are pretty empty. Fun if you have some friends you want to play with. After a few games the rules seem to favor the assassins. But that just makes winning with the king that much sweeter.. Nice strategic game! Thumbs up!. It's a game for you and a bud. Grab a bud. Maybe even two buds. Show your buds a good ol' time with this bud pleaser. Strategy meets buds in this budacious ol' time.
